

TUCSON SPEEDWAY 2017 Points System

1. Driver **MUST** be a NASCAR, INEX or Track Member to participate and be awarded points.
2. Driver **MUST** take the ORIGINAL green flag to receive points for that race.
3. Points are awarded according to the race finish after any penalties have been accessed.
4. Classes that draw starting position and do not qualify that evening receive the FAST HEAT points for each heat race.
5. You must qualify the car you race in the main event to receive position points gained. ONE point is awarded for positions gained during the main event from the assigned starting position.
6. Race payoff is according to main event finish after any penalties have been accessed.
7. You must hold a FULL membership with NASCAR, INEX or Track before the last race of the NASCAR season to receive year end awards in these divisions.
8. Drivers must display assigned decals as assigned by track officials and NASCAR.
9. Driver awards at year end are based on the final points audit between NASCAR and the track.
